

ClassDojo

Dear Parent / Carer,

We are very excited to announce that Crowland will be using ClassDojo to connect with families while schools are closed. ClassDojo is a communication platform that connects teachers and other adults within the school with children and parents. It will allow us to create an online classroom community where messages, updates, home learning, photos and videos can be shared securely.

We'd like all families to join us and sign up for ClassDojo! You can use it on any device: it is a simple, free mobile app for iOS or Android, and can also be used from a computer at www.classdojo.com.

As parents or carers, you will receive a unique website link through your email. You will be asked to sign up using an email address and to create a password before you select your child from the class list. When you are connected, you will be able to access your own child's online portfolio and any messages the teacher shares on the class or school page. Furthermore, the messaging system will allow a secure and private means of communication between the teacher and parent/carer. Until the system is fully operational and all are connected, we respectfully ask that parents/carers do not message via ClassDojo.

Students are also able to have their own ClassDojo account using a unique code or link sent by their teacher to their parent or carer's email. They'll be able to see learning posted by their teachers, share their learning and customize their monster avatar.

Find out more about ClassDojo, and how it is safe and simple for everyone:

www.classdojo.com/privacycenter

We believe ClassDojo will be an excellent tool for teachers, parents and children to ensure that we build a strong link between school and home. We hope that many of you take up the opportunity and join our ClassDojo school community. If you have any difficulties in signing up, please contact the school office at frontdesk@crowland.haringey.sch.uk.

Best wishes,

Ms Owusu
